Lewis County Hospital
FOUNDATION
Investing in the future of our hospital

February 2024

Dear Friend of Lewis County Hospital Foundation:

The Surgical Pavilion is now open! The state-of-the-art Surgical Pavilion opened in December 2023 to provide quality surgical services for our community members. The next phase of the project will complete the remainder of the private patient rooms and construct a 5-bed Critical Care Unit (CCU). The entire project is slated to be completed in late Spring 2024.

The Hospital Foundation still has more work to do. We are grateful for the amazing financial support from foundations, businesses and individuals who have provided financial support for the Honoring the Legacy, Building the Future Capital Campaign. The campaign has reached a fundraising milestone. To date, we have raised \$2 million to support the capital project. The 2024 events will help us reach our fundraising goal of \$2.4 million! We need your support to make it happen!

Enclosed is a sponsorship form highlighting the opportunities available for all three fundraising events in 2024. Please complete the commitment form and return it to the Lewis County Hospital Foundation by **Friday, April 12, 2024** in the enclosed envelope. You may pay by check, credit card or you can choose to be invoiced three weeks prior to the events.

If you have any questions, please contact me at 315-376-5110 or jrhubart@lcgh.net. Thank you in advance for your continued financial support of the Lewis County Health System.

With gratitude,

JoAnne Rhubart
Executive Director
